- b. Provision of means and infrastructure as referred to in Article 29 paragraph (3) subparagraph b, including:
 - 1. electricity network;
 - 2. roads;
 - 3. transportation;
 - 4. telecommunications network; and
 - 5. clean water network.
 - c. Ease of doing investment referred to in Article 29 paragraph (3) subparagraphs c, d, e, f, g, h, i, j, k and l in accordance with the provisions of laws and regulations;
- (2) Ease of doing investment granted to investors as referred to in Article 29 paragraph (3) is implemented by Regional Apparatus in accordance with their respective areas of authority.

Article 33

- (1) Local Government may provide one or more incentives and ease as referred to in Article 28 paragraph (1) to the community and/or investors.
- (2) The period for providing incentives to the community and/or investors based on the recommendations of the Verification Team in accordance with the priority scale for providing incentives.

Division Six

Assessment Basis for the Provision of Incentives and/or Ease of Doing Investment

Article 34

- (1) Governor determines the community and/or investors who are eligible for incentives and/or ease of doing investment based on an assessment conducted by the Verification and Assessment Team for the Provision of Incentives and Ease of doing Investment.
- (2) The basis for assessing the provision of incentives and ease of doing investment uses the variables and priority scales of the Region as listed in Annex II which constitutes an integral part of this Governor Regulation.

Division Seven

Mechanism for Provision of Incentives and/or Ease of Doing Investment

Article 35

- (1) Applications for incentives and/or ease of doing investment are submitted by individuals/company leaders to the Governor c.q. Head of the Office.
- (2) Applications for incentives and/or ease of doing investment are submitted in accordance with the following procedures:
 - a. For new investors, applicants submit a written application in Indonesian, in the format listed in Annex II which constitutes an integral part of this Governor Regulation, accompanied by:
 - 1. A copy of the applicant's Resident Identity Card (KTP) or other valid proof of identity;

2. Company profile containing at least the vision, mission, scope of business, composition of the Board of Directors and company management, as well as copies of company legality documents;
 3. Form of incentives and/or ease of doing investment requested;
 4. A stamped power of attorney if the application is represented;
 5. A copy of the KTP or valid proof of identity of the authorized representative if the application is submitted by a representative; and
 6. A copy of the Business Identification Number.
- b. For existing investors who wish to expand their business, applicants submit a written application in Indonesian, using the format listed in Annex II which constitutes an integral part of this Governor Regulation, accompanied by:
1. A copy of KTP or other valid proof of identity of the applicant;
 2. A company expansion plan profile that includes at least the vision, mission, scope of business, composition of the Board of Directors and company management, as well as copies of company legal documents;
 3. The company's balance sheet for the last two (2) years and the company's profit and loss calculations for the last two (2) years; and
 4. Business development containing annual business capacity and product marketing for the last two (2) years.
- (3) The provision of incentives and ease of doing investment is coordinated by Office.

Division Eight

Verification and Assessment Team for Incentives and Ease of Doing Investment

Article 36

- (1) Governor establishes a Verification and Assessment Team for the Provision of Incentives and Ease of Doing Investment.
- (2) The composition of the Verification and Assessment Team as referred to in paragraph (1) consists of:
 - a. Chairperson : Regional Secretary;
 - b. Vice Chairperson : Assistant for Economy and Development;
 - c. Secretary : Head of the Office;
 - d. Members :
 1. Inspector of Central Java Province;
 2. Head of Regional Apparatus administering government affairs in the field of Regional Planning;
 3. Head of Regional Apparatus administering government

- .affairs in the field of Regional Revenue Management;
4. Head of Regional Apparatus administering government affairs in the field of Regional Finance and Asset Management;
 5. Head of Regional Apparatus administering government affairs in the field of Manpower;
 6. Head of Regional Apparatus administering government affairs in the field of Industry and Trade;
 7. Head of Regional Apparatus administering government affairs in the field of Environment and Forestry;
 8. Head of Regional Apparatus administering government affairs in the field of Public Works, Water Resources and Spatial Planning;
 9. Head of Regional Apparatus administering government affairs in the field of Energy, Natural Resources and Minerals;
 10. Head of Regional Apparatus administering government affairs in the field of Agriculture and Plantations;
 11. Head of Regional Apparatus administering government affairs in the field of Cooperatives and Small and Medium Enterprises;

 13. Head of Regional Apparatus administering government affairs in the field of Animal Husbandry and Animal Health;
 14. Head of Regional Apparatus administering government affairs in the field of Transportation;
 15. Head of Regional Apparatus administering government affairs in the field of Tourism;

16. Head of Regional Apparatus administering government affairs in the field of Education and Culture;
17. Head of Regional Apparatus/Work Unit administering government affairs in the field of Law;
18. Head of Regional Apparatus/Work Unit administering government affairs in the field of economy;
19. Intermediate Investment Manager;
20. Junior Investment Manager.

- (3) The Verification and Assessment Team referred to in (2) is established by a Governor Decision.

Article 37

The team as referred to in Article 36 paragraph (2) has the following duties to:

- a. verify proposals and checking the completeness of the requirements that must be met;
- b. conduct a measurable assessment of each criterion;
- c. use an assessment matrix to determine the form and amount of incentives and ease of doing investment to be granted;
- d. determine the order of investors who will receive incentives and ease of doing investment;
- e. determine the form and amount of incentives to be granted;
- f. submit recommendations to the Authorized Official to be appointed as recipients of incentives and ease of doing investment; and
- g. monitor and evaluating the implementation of investment activities that receive incentives and/or ease of doing Investment.

Article 38

- (1) The incentive and ease requests submitted by the applicant as referred to in Article 35 paragraph (1) is verified by the Verification and Assessment Team in a coordination meeting.
- (2) The format of the Verification and Assessment Team's recommendation as referred to in paragraph (1) is listed in Annex II which constitutes an integral part of this Governor Regulation.

Article 39

When rejection of an application to receive incentives and ease of doing Investment, the Verification Team states in the assessment report that it becomes the basis for the Governor's recommendation/consideration of rejection.

Article 40

Provision of ease as referred to in Article 32 is coordinated by Office.

Division Eight
Reporting and Evaluation

Article 41

- (1) Business Actors that receive incentives and/or ease of doing Investment submit reports to the Governor at least once a year and at any time when required.
- (2) The report as referred to in paragraph (1) is submitted no later than January of the following year.
- (3) The report as referred to in paragraph (1) at least contains:
 - a. report on the use of incentives and ease;
 - b. business management; and
 - c. business activity plans.
- (4) The report format as referred to in paragraph (1) is listed in Annex II which constitutes an integral part of this Governor Regulation.

Article 42

- (1) Governor evaluates the effectiveness of the provision of incentives and/or ease of doing investment given to the community and/or investors.
- (2) The evaluation referred to in paragraph (1) is conducted at least once every year.
- (3) The evaluation is conducted based on:
 - a. Written reports submitted by recipients of incentives and ease; and
 - b. Visits to the business locations of recipients of incentives and ease.
- (4) The results of the evaluation referred to in paragraph (1) serve as the basis for guidance and supervision.

Article 43

Provision of incentives and ease of doing Investment may be reviewed if based on the evaluation results it no longer meets the criteria or is contrary to the provisions of laws and regulations.

CHAPTER VII
GUIDANCE AND SUPERVISION OF INVESTMENT

Division One
General Provisions

Article 44

- (1) Governor provides guidance and supervision regarding the implementation of Investment.
- (2) Guidance and supervision as referred to in paragraph (1) are carried out technically by Office.
- (3) Supervision as referred to in paragraph (1) is carried out generally by the Government Internal Supervisory Apparatus.

Article 45

Local Government controls the implementation of Investment through:

- a. guidance;
- b. monitoring and verification; and
- c. supervision.

Division Two Guidance

Article 46

- (1) Guidance activities as referred to in Article 45 subparagraph a are carried out by Office to investors.
- (2) Guidance activities as referred to in paragraph (1) carried out for investors are done in the form of assistance and counseling, including:
 - a. Providing explanations, consultations, technical guidance, or investment dialogues regarding the provisions for the implementation of Investment on a regular basis; and
 - b. facilitating the resolution of problems faced by investors.
- (3) Implementation of guidance activities as referred to in paragraph (2) is carried out in coordination with relevant parties.
- (4) Facilitation of the resolution of problems as referred to in paragraph (2) subparagraph b involves relevant Ministries/Institutions, Offices and/or Regency/Municipal Regional Apparatus.
- (5) When the facilitation of the resolution of problems faced by investors as referred to in paragraph (2) subparagraph b is related to problems, the Office may report to the Investment Coordinating Board.

Article 47

- (1) Investors may submit a request for facilitation in resolving problems as referred to in Article 46 paragraph (5) through the LKPM and/or a letter addressed to the Head of the Office.
- (2) Upon receipt of a request for guidance as referred to in paragraph (1), the Office facilitates the resolution of investment problems through the following stages of:
 - a. identifying and verifying of problems;
 - b. coordinating problem resolution facilitation with relevant technical agencies and/or other relevant parties;
 - c. when facilitation is carried out to resolve difficulties of Business Licensing, coordination is carried out with the Civil Service that provides Business Licensing services; and
 - d. reporting the results of the facilitation of problem resolution to the relevant parties.
- (3) The results of the facilitation referred to in paragraph (2) subparagraph b and subparagraph c are recorded in minutes of meeting and/or an official report.

- (4) Office monitors and evaluates the progress of the facilitation results of problem resolution.

Division Three
Monitoring and Verification

Article 48

- (1) Monitoring activity as referred to in Article 45 subparagraph b is carried out to determine the progress of Investment realization and problems faced by investors through the collection, verification, and evaluation of:
 - a. LKPM submitted by Investors; and
 - b. report on the realization of imports and/or fiscal facilities submitted by investors.
- (2) The LKPM as referred to in paragraph (1) subparagraph a contains:
 - a. the realization of Investment and employment, at the construction and commercial stages every 3 (three) months; and
 - b. production realization, Corporate Social Responsibility, implementation of business partnerships in the commercial stage, and organizing training and technology transfer to Indonesian workers as assistants in the commercial stage once in a year.
- (3) Monitoring and verification of Investment as referred to in paragraph (1) is carried out since the issuance of the Business Licensing.
- (4) Monitoring and verification activity referred to in paragraph (1) is carried out by Office on the LKPM, which covers the realization of Investment, the realization of worker, the realization of production including export value, partnership obligations and other obligations related to the implementation of Investment as reported by individual Business Actors and business entities.

Division Four
Supervision

Article 49

- (1) Investment supervision is carried out on every business activity with the frequency of implementation based on the level of risk and the level of compliance of the Business Actors.
- (2) Supervision is carried out from the moment the Business Actor obtains a Business Licensing with the aim of ensuring that the implementation of business activities complies with the provisions of laws and regulations.
- (3) Supervision as referred to in paragraph (1) consists of:
 - a. routine supervision; and
 - b. incidental supervision.
- (4) When a Business Actor conducts more than 1 (one) business activity with different levels of risk at 1 (one) same location, supervision is carried out for each level of risk.

Article 50

- (1) Routine supervision as referred to in Article 49 paragraph (3) subparagraph a is carried out through:
 - a. Business Actor report; and
 - b. field inspection.
- (2) Routine supervision through Business Actor Report as referred to in paragraph (1) subparagraph a is carried out based on the report submitted by Business Actors containing developments in business activities.
- (3) Report on the progress of business activities as referred to in paragraph (2) contain:
 - a. realization of Investment and worker, at the construction and commercial stages every 3 (three) months; and
 - b. realization of production, Corporate Social Responsibility, implementation of business partnerships during the commercial stage, and conducting training and technology transfer to Indonesian workers as assistants during the commercial stage once in a year.
- (4) Monitoring and verification of Business Actor report as referred to in paragraph (3) is carried out on LKPM covering the realization of Investment, the realization of worker, the realization of production including export value, partnership obligations and other obligations related to the implementation of Investment submitted by individual Business Actors and business entities;
- (5) Field inspection as referred to in paragraph (1) subparagraph b is carried out to examine the conformity of the data and information submitted in periodic reports with the on-site implementation of business activities through administrative and/or on-site examinations, including checking the business location, the realization of the value of Investment, worker, machinery/equipment, buildings/structures, obligations related to facilities, incentives and ease of doing Investment, partnership obligations, and/or other obligations related to the implementation of Investment.
- (6) When the field inspection as referred to in paragraph (5) cannot be carried out through a on-site visit, the field inspection is conducted virtually.
- (7) Routine field inspection referred to in paragraph (5) is carried out by the Office, DPMPSTP of Regency/Municipality, and/or the KEK administrator in a coordinated manner and can be accompanied by ministries/institutions or Local Government according to their authority.

Article 51

- (1) Incidental supervision as referred to in Article 49 paragraph (3) subparagraph b is carried out due to certain circumstances as follows:
 - a. public complaints;
 - b. complaints and/or needs from Business Actors;

- c. indications that Business Actor is conducting activities that do not comply with the provisions of laws and regulations; and/or
 - d. urgent needs in the form of environmental pollution and/or other matters that could endanger public safety and/or disrupt the national or Regional economy.
- (2) Incidental supervision as referred to in paragraph (1) is carried out at any time and can be carried out without prior notification to the Business Actors.
 - (3) Incidental supervision as referred to in paragraph (2) is carried out by field inspection to verify the conformity of data and information with the actual implementation of business activity, by means of administrative and physical examinations, which include checking business location, realization of Investment value, worker, machinery/equipment, buildings/structures, obligations related to facilities, incentives and ease of doing Investment, partnership obligations, and/or other obligations related to the implementation of Investment.
 - (4) When incidental field supervision as referred to in paragraph (3) cannot be carried out through a physical visit, incidental supervision can be carried out virtually.
 - (5) The incidental field supervision as referred to in paragraph (3) is carried out by the Office, DPMPSTP of Regency/Municipality, and/or KEK administrator, in coordinated manner and can be accompanied by ministries/Institutions and/or Regional Apparatus Organization according to their authority.
 - (6) The letter of assignment and Report of the incidental supervision are input into the OSS System after the field inspection is carried out.

Article 52

- (1) The incidental supervision as referred to in Article 51 is carried out based on complaints from the public and/or Business Actors whose identities are kept confidential by the Government and Local Government.
- (2) Complaints from the public as referred to in Article 51 paragraph (1) subparagraph a shall be submitted truthfully and responsibly.
- (3) Complaints from the public as referred to in Article 51 paragraph (1) subparagraph a can be submitted:
 - a. directly to the Government or Local Government; and/or
 - b. indirectly by being submitted:
 - 1. in writing to the Central Government or Local Government; or
 - 2. electronically through the OSS System or other available complaint platforms.
- (4) OSS Institution provides procedures for public complaints electronically through the OSS System as referred to in paragraph (3) subparagraph b point 2.
- (5) Complaints as referred to in paragraph (1) are submitted when:
 - a. implementing Risk-Based Business Licensing

- b. implementing business activity that does not comply with business activity standards and provisions of laws and regulations;
- c. Performing Supervision activity that does not comply with the provisions of laws and regulations;
- d. using the OSS System that does not comply with the provisions of laws and regulations; or
- e. implementing business activity that causes disturbances (noise, air pollution, odor, social issues, etc.) to the surrounding community.

Article 53

- (1) Routine field inspection activity as referred to in Article 50 paragraph (1) subparagraph b is carried out by the Office, DPMPTSP of Regency/Municipality, and/or KEK Administrator according to their authority in an integrated and coordinated manner.
- (2) In carrying out routine field inspection as referred to in paragraph (1), the related authorities may cooperate with certified or accredited Institutions or Professional Experts.
- (3) When a routine field inspection finds a violation committed by a Business Actor, a certified or accredited Institution or Professional Expert reports it to the Office, DPMPTSP of Regency/Municipality, and/or KEK Administrator, who assigned the inspection, within a maximum of three (3) days from the time the certified or accredited Institution or Professional Expert discovers the violation committed by the Business Actor.
- (4) The Office, DPMPTSP of Regency/Municipality, and/or KEK Administrator restrict the violation to prevent a greater impact within a maximum of one (1) day after receiving the report from the certified or accredited Institution or Professional Expert as referred to in paragraph (3).
- (5) In implementing the restriction of violations as referred to in paragraph (4), the Office, DPMPTSP of Regency/Municipality, and/or KEK Administrator may collaborate with Law Enforcement Officers.
- (6) Routine field inspection as referred to in paragraph (1) is carried out in an integrated and coordinated manner.

Article 54

- (1) Results of field inspection and monitoring of the report from Business Actor shall include at least an assessment of the following aspects:
 - a. technical compliance, obtained from indicators of the completion of Business Licensing requirements and/or obligations; and
 - b. administrative compliance, obtained from indicators of the completion of the Investment Realization Ratio, periodic reporting requirements, absorption of Indonesian worker, obligations with cooperatives and UMK-M, utilization of facilities and incentives, and support to the economy equally.
- (2) Technical compliance assessment as referred to in paragraph (1) subparagraph a is carried out by the Local

Government, Regency/Municipal Government, regarding completion of requirements and obligations as stipulated in the norms, standards, procedures, and criteria of ministries/institutions.

- (3) Administrative compliance assessment as referred to in paragraph (1) subparagraph b is carried out by the Office, DPMPTSP of Regency/Municipality, and/or KEK Administrator.
- (4) Results of the technical and administrative compliance assessments are input and processed to determine the Business Actor's compliance scores and evaluate Risk-Based Business Licensing.
- (5) Business Actor's compliance scores as referred to in paragraph (4) are categorized into:
 - a. excellent;
 - c. good; and
 - d. poor.
- (6) Based on the Business Actor's compliance scores as referred to in paragraph (5), the OSS System adjusts the frequency of field inspection in routine supervision and updates the Business Actor's profile.
- (7) When Business Actor complies with the excellent category as referred to in paragraph (5) subparagraph a:
 - a. field inspection for low and medium-low risks need not be conducted; and
 - b. field inspection for medium-high and high risks may be conducted a maximum of one (1) time in one (1) year for each business location.
- (8) When the field inspection for medium-high and high risks as referred to in paragraph (7) subparagraph b indicate that the Business Actor is compliant, the OSS System may remove the Business Actor from the priority list for the next annual field inspection plan.
- (9) When the field inspections for low, medium-low, medium-high, and high risks have been conducted for two (2) consecutive years and the Business Actor has not been assessed as compliant or has received an good/poor compliance score, the Office, DPMPTSP of Regency/Municipality, and/or KEK Administrator will follow up by evaluating the Business Licensing for the business activity.
- (10) Based on the evaluation results referred to in paragraph (9), the Office, DPMPTSP of Regency/Municipality, and/or KEK Administrator may propose through the OSS System to remove the Business Actor from the list of the annual field inspection plan.
- (11) When a field inspection finds evidence that the business activity impacts health, security, safety, and/or the environment, the OSS System will process the data and information for periodic review or evaluation of the risk level determination of the business activity.
- (12) The Local Government, Regency/Municipal Government, KEK Administrator, and Business Actors can access and obtain information related to adjustments to the frequency of field inspection in routine supervision and updates to the Business Actor profile in the OSS System.

Article 55

- (1) Supervisory activity is carried out on business and/or activities as a follow-up to:
 - a. evaluation of Investment implementation;
 - b. assignment of supervision by the Government; or
 - c. License issuance process that falls under the authority of the Regency/Municipality but is not implemented in accordance with the provisions of laws and regulations.
- (2) Supervisory activity is carried out by the Office in a coordinated manner and may be accompanied by technical and/or related agencies in accordance with the norms, standards, and criteria procedures stipulated by the provisions of laws and regulations.
- (3) In carrying out supervision, the Office may:
 - a. be accompanied by the Regency/Municipal Apparatus responsible for Investment; and
 - b. cooperate with professionals who possess certificates in the field of supervision according to the required expertise.
- (4) When supervision, a Supervisory Team can be formed consisting of the relevant Regional Apparatus.

Article 56

- (1) The supervisory activity as referred to in Article 55 is carried out by sending a prior notification letter to the Head or Person in Charge of the Company before the date of the supervision.
- (2) When the supervisory activity as referred to in Article 55 is accompanied by the Regency/Municipal Apparatus responsible in the field of Investment, the Head of the Office sends a prior notification letter before the date of the supervision.
- (3) In every implementation of supervision, the Office appoint supervisory officers in writing through a letter of assignment signed by the Head of the Office.
- (4) When the Head or Person in Charge of the Company does not provide a response, supervision will still be carried out by the Office.
- (5) When the supervision is carried out due to indications or initial evidence of violation of provisions of Investment implementation as referred to in Article 55 paragraph (1), supervision will be carried out without prior notification to the Head or Person in Charge of the Company.

Article 57

- (1) Results of inspection conducted at the company's location for supervision purposes are documented in the Inspection Report, which is jointly signed by the Supervisory Officers and the Head or Person in Charge of the Company.
- (2) When the Head/Person in Charge of the Company refuses to sign the Inspection Report, the Supervisory Officers provide a refusal report signed by the Head/Person in Charge of the Company.

- (3) When the Inspection Report as referred to in paragraph (2) is also not signed by the Head/Person in Charge of the Company, the Inspection Report is still considered valid.

CHAPTER III IMPOSITION OF ADMINISTRATIVE SANCTIONS

Division One Obligations of Investor

Article 58

Every investor has obligations to:

- a. apply the principle of good corporate governance;
- b. do corporate social and environmental responsibilities through activities that can support the Local Government's programs;
- c. arrange and submit LKPM to the institution of Government administering Investment affairs;
- d. respect the traditional culture of the society around the location of the business activity of the Investment;
- e. increase the skill of the Indonesian workers through work training in accordance with the provisions of laws and regulations;
- f. prioritize workers from the Region around the location of the business of the Investment;
- g. hold training and do technological transfer to Indonesian workers in accordance with the provisions of laws and regulations for the company that employs Foreign Workers;
- h. allocate the fund periodically for the restoration of location that meet environmental eligibility standards for companies that exploit non-renewable natural resources, which the implementation is in accordance with the provisions of laws and regulations; and
- i. obey all of the provisions of laws and regulations.

Division Two Responsibilities of Investor

Article 59

Every investor is responsible for:

- a. assuring capital availability which is from the source that does not contradict to the provisions of laws and regulations;
- b. being responsible and finishing all of the obligations and losses if the investor stops or leaves or abandons the business activity unilaterally in accordance with the provisions of laws and regulations;
- c. creating a healthy business competition climate, preventing monopoly practices and other things that causes loss for the Region;
- d. creating and assuring the safety, health, comfort, and prosperity of the workers;
- e. maintaining environmental sustainability; and
- f. obeying all of the provisions of laws and regulations.

Division Three
Imposition of Administrative Sanctions

Article 60

The imposition of administrative sanctions is carried out in accordance with the provisions of laws and regulations and may include:

- a. written warning;
- b. temporary restriction of business activity;
- c. revocation of Business Licensing; and/or
- d. revocation of Business Licensing for supporting business activity.

Division Four
Imposition of Administrative Sanctions

Article 61

- (1) A written warning may be imposed if it is found that the investor, due to negligence, fails to carry out part or all of the obligations as referred to in Article 58 subparagraphs a to g.
- (2) Temporary restriction of business activity may be imposed if:
 - a. Business Actor who has received a written warning sanction and has been given a reasonable opportunity to fulfill, in whole or in part, the obligations known to have not been carried out;
 - b. there is a report/complaint from the public concerning business activity that causes public unrest, endangers safety, or disrupts public order, and fail to respect the cultural traditions of society around the location of the business activity of the investment;
 - c. Business Actor who, after having been provided with guidance and being given sufficient opportunity to carry out/correct/restore the initial condition so that the business is conducted properly, fails to duly comply therewith.
- (3) Revocation of Business Licensing and/or revocation of Business Licensing to support business activities may be imposed if:
 - a. there is a final and binding court decision that orders the revocation of the Business Licensing and/or declares it invalid;
 - b. there is a Business Actor whose license has been temporarily restricted, but the license holder does not make changes, repairs, or restoration of the situation;
 - c. the business activity carried out is known to contradict local cultural, religious, and customary aspects, or contradict the provisions of laws and regulations;
 - d. there is a deliberate failure to obey with some or all of the provisions of laws and regulations.

Division Five
Implementation of Administrative Sanction Imposition

Article 62

- (1) The Head of the Office may impose administrative sanctions pursuant to:
 - a. proposal and technical recommendation from the relevant Regional Apparatus, accompanied by inspection documents with sufficient evidence that the Business Actor has committed a violation of obligations; and
 - b. a final and binding court decision, declaring that the Business Licensing has been revoked.
- (2) The Head of the Office imposes administrative sanctions in writing, if within fourteen (14) calendar days the business Actor/license holder does not make an administrative appeal, the administrative sanctions are deemed accepted.
- (3) The administrative appeal can only be filed against administrative sanctions involving the revocation of business licensing and/or the revocation of business licensing for supporting business activity.
- (4) The administrative appeal is submitted to the Governor within fourteen (14) calendar days from the receipt of notification of an administrative sanction in the form of revocation of Business Licensing and/or revocation of Business Licensing for supporting business activity.
- (5) The Head of the Office forwards the administrative appeal to the Governor to request approval or rejection, no later than thirty (30) workdays.

CHAPTER IX
TRANSITIONAL PROVISION

Article 63

Upon the entry into force of this Governor regulation, all laws and regulations which are the implementing regulations of Regulation of the Province of Central Java Number 7 of 2010 on Investment in the Province of Central Java (Regional Gazette of the Province of Central Java Year 2010 Number 7, Supplement to the Regional Gazette of the Province of Central Java Number 29) are declared to remain effective to the extent not contradictory to the provisions of this Governor Regulation.
